Part III Statement of Program Service Accomplishments

Check if Schedule O contains a response or note to any line in this Part III

1 Briefly describe the organization's mission:
buildOn breaks the cycle of poverty, illiteracy and low expectations through service and education.

2 Did the organization undertake any significant program services during the year which were not listed on the prior Form 990 or 990-EZ? Yes No
If "Yes," describe these new services on Schedule O.

3 Did the organization cease conducting, or make significant changes in how it conducts, any program services? Yes No
If "Yes," describe these changes on Schedule O.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.

4a (Code:) (Expenses \$ 4,576,001 including grants of \$ 0) (Revenue \$ 0)
US Afterschool Program: buildOn is confronting the education crisis in the United States by addressing indicators such as truancy, graduation rates, school participation, and civic engagement. We empower youth from fractured and under-resourced neighborhoods to make a positive difference in their communities through service and engagement activities. Each week, buildOn students in 51 schools across 7 regions participate in service activities to address issues in their communities such as elementary education, food insecurity, care for the elderly, support for the homeless and those in transitional housing, and environment issues and public green spaces. buildOn students also participate in academic engagement and service-learning activities each week. buildOn programming leads to the following outcomes: academic engagement, civic engagement, empowerment, expanded sense of possibilities, and personal and social development. buildOn members have contributed more than 1.2 million hours of service to their communities, and have helped build more than 620 schools around the world that bring access to education to 86,000 people daily. With 95% of buildOn seniors graduating from high school and continuing on to college, buildOn is inspiring tomorrow's business, community, and global pioneers who believe in the power of service.

4b (Code:) (Expenses \$ 3,963,040 including grants of \$ 0) (Revenue \$ 0)
International School Construction Program: Since 1992, buildOn has mobilized rural villages in some of the poorest countries in the world to build more than 620 schools in Haiti, Malawi, Mali, Nepal, Nicaragua, and Senegal. The countries in which we work consistently rank among the lowest on the United Nation's Human Development Index, where school construction and community education are vital to long-term health, economic growth and sustainability. buildOn engages in participatory development, creating partnerships with local communities who have ownership over the projects. The true power of buildOn's methodology resides in the fact that buildOn classrooms are constructed in partnership with the very people who will be benefiting from them. When buildOn enters new countries and regions, it becomes a resource for communities who want to provide quality education for their students. Local communities initiate each project and own the school, and the ministries of education agree to provide teachers and curriculum. Additionally, buildOn's Adult Literacy Program gives parents and grandparents the education they need to build a better life for themselves and their children. Each day, 86,000 children, parents, and grandparents are attending buildOn schools and taking advantage of a new access to education.

4c (Code:) (Expenses \$ 0 including grants of \$ 0) (Revenue \$ 0)

Activity Or Mission Description

Description

buildOn breaks the cycle of poverty, illiteracy, and low expectations through service and education. Through buildOn afterschool programs in high schools across the U.S., urban youth are contributing intensive service, helping seniors, young children, and the homeless in their communities, and are also helping to build schools in some of the poorest countries on the planet. Students in buildOn programs, located in 51 of America's lowest performing urban high schools, have contributed a staggering 1,256,483 hours of service. buildOn also partners these same students with developing countries in Africa, Asia, and Central America to build schools. buildOn's school construction programs have completed 620 schools to date. And through the unparalleled commitment of parents and grandparents to educate their children, both boys and girls, rural villages provide all the volunteer labor in collaboration with buildOn to break ground on a new school every five days.
