buildOn U.S.: buildOn's service learning programs are confronting the education crisis in the United States by addressing indicators such as truancy, graduation rates, school participation, and civic engagement. We empower youth from fractured and under-resourced neighborhoods to make a positive difference in their communities through service and education. Each week, buildOn students in 44 high schools across 6 regions participate in service activities to address issues in their communities such as elementary education, food insecurity, care for the elderly, support for the homeless and those in transitional housing, and environment issues and public green spaces. buildOn programming leads to the following outcomes: academic engagement, civic engagement, empowerment, expanded sense of possibilities, and personal and social development. buildOn members have contributed nearly 1.8 million hours of service to their communities, and have helped build more than 935 schools around the world that bring access to education to 123,000 people daily. With 95% of buildOn seniors graduating from high school and continuing on to college, buildOn is inspiring tomorrow's business, community, and global pioneers who believe in the power of service.

**4b** (Code: ) (Expenses \$ 7,709,747 including grants of \$ 0) (Revenue \$ 0)  
buildOn Global: Since 1991, buildOn has mobilized rural villages in some of the poorest countries in the world to build more than 935 schools in Burkina Faso, Haiti, Malawi, Mali, Nepal, Nicaragua, and Senegal. The countries in which we work consistently rank among the lowest on the United Nation's Human Development Index, where school construction and community education are vital to long-term health, economic growth and sustainability. buildOn engages in participatory development, creating partnerships with local communities who have ownership over the projects. The true power of buildOn's methodology resides in the fact that buildOn classrooms are constructed in partnership with the very people who will be benefiting from them. When buildOn enters new countries and regions, it becomes a resource for communities who want to provide quality education for their students. Local communities initiate each project and own the school, and the ministries of education agree to provide teachers and curriculum. Additionally, buildOn's Adult Literacy Program gives parents and grandparents the education they need to build a better life for themselves and their children. Each day, 123,000 children, parents, and grandparents are attending buildOn schools and taking advantage of a new access to education.

Form 990, Part VI, Section B, Line 11b - The Finance team at buildOn is responsible for the timely preparation of the Form 990. The completed Form 990 will be provided to the National Board of Directors in advance of the filing deadline to ensure a detailed and conscientious review by all board members. All questions and concerns of the Board will be addressed by management and incorporated into the return as appropriate. Senior management of buildOn will file the final Form 990 as required.

Form 990, Part VI, Section B, Line 12c - The Chair of the Governance Committee of the National Board of Directors requests all officers, directors, and key employees to disclose interests that could give rise to conflicts. It is required that each director, officer, and key employee annually complete and sign a disclosure statement.

Form 990, Part VI, Section B, Line 15 - The CEO's performance is reviewed on an annual basis by the Governance Committee of the National Board of Directors. The Governance Committee sends the performance review to the National Board of Directors for comment, then compiles all comments, conducts the performance review, and makes a recommendation to the Finance Committee regarding the CEO's salary. The Finance Committee ultimately determines the compensation of the CEO using comparable compensation obtained from compensation surveys of similarly situated organizations. The CEO received a salary increase in 2015. The COO, CFO, CMO, and CPOs are all officers of the company, and with the National Board of Directors' approval, the CEO reviews and sets the salaries of the officers based upon comparable compensation obtained from compensation surveys of similarly situation organizations. All performance reviews are documented in the employee's personnel file. All officers received a performance review in 2015.

Form 990, Part VI, Section C, Line 19 - buildOn discloses its financial statements, audits, and Form 990 on their website [buildon.org](http://buildon.org). In addition, buildOn's Form 990 and financial statements are available for public inspection on other websites such as Charity Navigator. Anyone, at any time, can request a copy of buildOn's bylaws, conflict of interest policy, financial statements, most recent Form 990, and financial audit.

**Description**

---

urban youth are contributing intensive service, helping seniors, young children, and the homeless in their communities, and are also helping to build schools in some of the economically poorest countries on the planet. Students in buildOn programs, located in some of America's lowest performing urban high schools, have contributed nearly 1.8 million hours of service. buildOn also partners these same students with developing countries in Africa, Asia, and Central America to build schools. buildOn's school construction programs have completed 935 schools to date. And through the unparalleled commitment of parents and grandparents to educate their children, both boys and girls, rural villages provide all the volunteer labor in collaboration with buildOn to break ground on a new school every five days.
