

## buildOn Coffee Fundraiser

buildOn partnered with Tallio's, an incredible community oriented small business, to create a coffee blend called "Aldea El Batal", named after the first community we worked with in Guatemala, where the coffee beans for this blend come from.

**Level of Effort:** Low  
**Number of People:** Team  
**Expected Amount Raised:** \$\$\$\$

### Next Steps

- Ask your Community Engagement Manager for a unique link to the Tallio's website for your team
- Sell coffee to your community (your coworkers, family, neighbors, friends, teachers, coaches, etc.) for \$20 (+ shipping) per bag
- buildOn will add an \$8 donation per bag of coffee to your team's fundraising page monthly

### Tips

- Serve this coffee at other fundraising events
- Explore different methods of selling:
  - \* Direct Sales - Share your team's link for people to purchase coffee directly from that site
  - \* Take Orders - Take orders and collect money upfront to place a larger order through your link
  - \* Pre Purchase - Buy in bulk upfront and then sell the bags once you've received them
