

A Donation A Day Fundraiser

Every little bit counts - and this fundraiser proves just that! Ask your friends and family to choose a day in the month to donate the amount that corresponds with the date. Those \$1, \$2, \$3, donations add up and will get you almost \$500 by the end of the month!

Level of Effort: Low
Number of People: Individual
Expected Amount Raised: \$\$\$

Next Steps

- Create a calendar and decorate it with buildOn (this could be a [virtual calendar](#) or a physical calendar)
- Ask your friends and family to sign up for one (or multiple!) days and fill in the calendar with their name
- On their chosen day, have them to donate the amount according to the day that they have chosen. For example, Dec. 1 = \$1, or Dec. 31 = \$31.

Tips

- Encourage people to sign up for more than one day!
- If the calendar fills up, encourage people to double up so multiple people are assigned to each day!
- Fill up the calendar with BONUS amounts for any blank calendar block
- Send out a reminder via email, text, call, DM, etc. to whoever signed up to donate on each day
- Make a copy of [this template](#), customize it to your chosen month, and share it out
